9. Your students usernames will then be listed.

You do not need to enter your students' individual details (e.g. name, year group) – students themselves will enter this information when they first login to take the competition.

Further information on how to invigilate the competition and student login instructions will be sent near the competition dates.

Please email [contact@ukbiologycompetitions.org](mailto:contact@ukbiologycompetitions.org) with any questions you may have about the registration process.
