7. Once you have enrolled on to a competition, you can create accounts for your students by clicking on the students by clicking on the **MANAGE STUDENTS** link.

Biology Challenge 2022

Rubric

Students

You have used 0 of 999 student places.

[CREATE STUDENTS](#)

Add students

Please select the number of students to enrol in this exam.

You can enrol up to 999 more students.

Students
5

[ADD STUDENTS](#) [CANCEL](#)

8. Click on the **CREATE STUDENTS** link to enrol up to 999 students for the competition.

The screenshot shows the 'Biology Challenge 2022' admin interface. On the left is a navigation menu with options: Dashboard, Update Details, Manage Exams, Invigilation, Payments, Logout, and UKBC Home. The main content area is titled 'Biology Challenge 2022' and contains a 'Rubric' section and a 'Students' section. The 'Students' section indicates that 5 of 999 student places have been used and includes a 'CREATE STUDENTS' button. Below this is a table with columns for Username, Name, and Year Group. The table lists five students with usernames COL005, COL004, COL003, COL002, and COL001. Each row has an edit icon on the right. A red arrow points from the text 'Your students usernames will then be listed.' to the first row of the table.

| Username | Name | Year Group | |
|----------|------|------------|--|
| COL005 | | | |
| COL004 | | | |
| COL003 | | | |
| COL002 | | | |
| COL001 | | | |

Rows per page: 10 1-5 of 5

9. Your students usernames will then be listed.

You do not need to enter your students' individual details (e.g. name, year group) – students themselves will enter this information when they first login to take the competition.

Further information on how to invigilate the competition and student login instructions will be sent near the competition dates.

Please email contact@ukbiologycompetitions.org with any questions you may have about the registration process.
